

FE CashCalc Training Pathway Series

01 GETTING STARTED

Start your FE CashCalc journey here with an introduction to what the system can do and the many settings you can use to adjust cashflow outputs

Training Series Part 2: onboarding & engagement Watch on VouTube FE CashCalc

02ONBOARDING & ENGAGEMENT

Continue along the path to our onboarding section, where you'll learn about our secure client portal and digital factfind

03CASHFLOW

The knowledge you've learnt from the first two videos will put you in a great position to now learn how to use our cashflow modeller

Training Series Part 4: Calculators Watch on YouTube FE CashCalc

O4CALCULATORS

With over 25 calculators in FE CashCalc, we'll now explore each one and how you can use them to save time on tricky client scenarios

O5CALCULATORS

You're nearly at the end of our pathway series and in this penultimate video, we'll go through the final set of calculators

Training Series Part 6: ATRQ/ESG Watch on VouTube FE CashCalc

O6 ATRQ/ESG

Congratulations, you've made it to the end of our pathway series!! In this final lesson, we'll cover off the ATRQ and sustainable investing questionnaire

FE Analytics Pathway
